

KAFCON 2026 – KOREA AFRICA CUP OF NATIONS

TEAM UGANDA MATCHDAY REPORT

Presented by the Directorate of Sport & Entertainment

Ugandans in South Korea Association (USKA)

The Ugandans in South Korea Association (USKA) successfully coordinated Uganda's participation in the KAFCON 2026 (Korea Africa Cup of Nations) football tournament held on Sunday 24 May 2026 in Pyeongtaek City, Republic of Korea. The tournament brought together 16 African nations competing across four groups in a celebration of African unity, culture, and sportsmanship.

Uganda participated in Group D alongside South Africa, Liberia, and Tanzania.

Appreciation Message

The Directorate of Sport & Entertainment extends sincere appreciation to:

- all Team Uganda players and technical staff
- all Ugandans in South Korea, especially those who turned up in numbers Pyeongtaek City and those who followed and supported online.
- the Executive Committee of the Ugandans in South Korea Association led by Mr. Joshua Kirabo Ssempungu and Josephine Nakitende
- the Songtan Ugandan community who hosted players
- Skylar and his media team
- supporters and well-wishers
- event organizers and stakeholders

for the unity, discipline, and support demonstrated throughout the tournament.

Special appreciation goes to all Ugandans who traveled, supported online, mobilized resources, and proudly represented the Ugandan spirit during KAFCON 2026.

Beyond football, the tournament demonstrated the power of sport in:

- bringing communities together
- promoting African unity

- strengthening cultural exchange
- positively representing Uganda in Korea

As Uganda prepares to co-host **AFCON 2027 under the “Pamoja” banner**, Team Uganda’s participation in KAFCON 2026 reflects the growing commitment of Ugandans in South Korea to contribute positively to sports diplomacy and community building.

Together, we move forward.

For God and My Country.

Yours respectfully,

Graham Tumwesigye Tatwangire,

Director of Sport & Entertainment – USKA

Head Coach – Team Uganda (KAFCON 2026)
